

LINEA WALL opal 1 spotlight

Instructions for the lighting configuration of a **LINEA WALL** high performance opal 1 spotlight

- 1 Use the provided photometric file from the website
Attention: you get the photometric file for Linear and Just 26 (cyan and green lines in drawing) and assemble the luminaire
- 2 Create your luminaire with one photometric file (**Linear**) and one **box 100 x 100** mm to the end.
Set the photometric files (**Just 26**) below the center with 50 mm distance from the end of the box. .

LINEAR luminaire
