

focus 43°

A light pyramid diagram is centered behind the table. The pyramid's apex is at the top, corresponding to the 'focus 43°' label. The pyramid's width increases as it descends, matching the increasing diameter (ø) values in the table. The pyramid is shaded in a light gray color.

h (m)	$E_{0^{\circ}}$ (lx)	ø (m)
1	450	0.80
2	112	1.59
3	50	2.39
4	28	3.18
5	18	3.98
